ENROLLMENT

STUDENTS RECEIVE PRIORITY ADMISSION TO
THOREAU DEMONSTRATION ACADEMY
OVER NON-MAGNET STUDENTS IF THEY APPLY BY THE DEADLINE

FEEDER PATTERN

MISSION

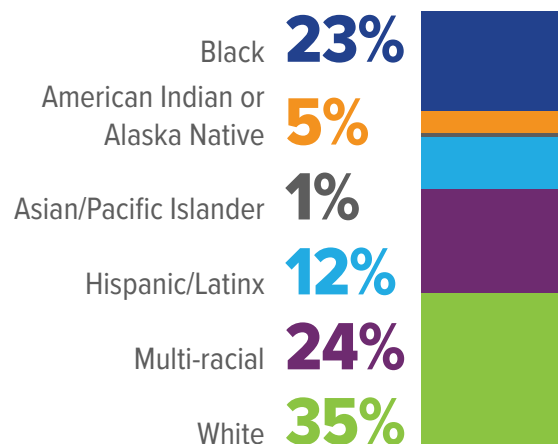

To provide the optimal learning environment to nurture the whole child and develop independent, creative thinkers who act with integrity and make a positive contribution to our world!

EDUCATIONAL OPPORTUNITIES

Mayo Demonstration School selects students through a lottery from all four quadrants of the city, creating a diverse population of students. Our scholars participate in a wide array of hands-on learning experiences that cater to different learning styles to generate a deeper understanding of academic concepts. Students at Mayo benefit from creative field trip opportunities, including the Chickasaw Heritage Center, Great Salt Plains, Crystal Bridges Museum, Woody Guthrie Museum, Wolaroc and the Oklahoma City Memorial.

RACIAL/ETHNIC DISTRIBUTION*

*Enrollment data from October 1, 2021.

CLUBS AND PROGRAMS

Heartsong Theater Arts, I Am Kids Yoga, Kay's Dance Movement, Pied Piper, TPS After Care, Tulsa Soccer Academy, Under the Canopy, Boy Scouts and Girl Scouts, Drama, Botball, Crazy 8's Math, Dance, Gymnastics, Tae-Kwon-Do, Lego League, Tennis, Running Club, Debate

STEM PROGRAMMING

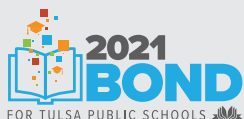

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

A NON-TRADITIONAL ENVIRONMENT

Mayo Demonstration School greatly values student engagement, and we believe keeping students active is one of the top ways to keep them engaged. Rather than using a traditional row of desks, our classrooms are outfitted with tables, which create a collaborative environment. In addition, every classroom has a sofa and bean bags, and third grade classes utilize yoga balls instead of chairs. Most teachers offer movement breaks, such as interactive board games or dancing, to get the kids moving for a few minutes each day. These approaches to learning keep our students motivated and focused.

EMPHASIS ON COMMUNITY

Mayo Demonstration School offers a multi-age social emotional curriculum aimed at teaching kindness to our students. Through this curriculum, students from each grade are placed into "family" groups, which meet 3 times per week to build relationships and learn about life skills. Younger students form friendships with older peers, and because students are assigned a new "family" each year, they develop a large network of relationships that will last them for years to come!

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At Mayo Demonstration School, the 2021 Bond for Tulsa Public Schools includes:

- » A digital marquee and parking lot resurfacing;
- » Repairs to the HVAC system to improve air quality;*
- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.

**HVAC and air quality repairs will be federally funded by the CARES Act.*
